MEMORANDUM FOR: Registrar/TR

SUBJECT : Counterintelligence Operations
Course No. 53 - Scheduling

1. The 29 May Holiday necessitates the extension of Counterintelligence Familiarization Course No. 42 into one day of the week of 8-12 June. This day, Monday 8 June, is the first scheduled day of CI/OPS Course No. 53, and, as you know, both of the CI classes customarily use the same classroom and safes. The safes, and the material in them, are necessary to the conduct of both classes, and it is not practical to start one class in a separate room while the other class is already in progress.

2. Because of this situation we are proposing that the beginning of CI/OPS Course No. 53 be postponed until 10 June and to complete it [REDACTED]. This will make it possible to use Room 503 for both courses with a minimum of confusion.
